

ThyssenKrupp Elevator

CPSI has entered into a National Agreement with ThyssenKrupp Elevator (TKE) Company. TKE offers a quality maintenance program that is designed to protect your elevator equipment investment, contribute to the satisfaction of your residents, provide dependable service and generate long-term relationships through strong performance.

**Our National program offers you a number of benefits:**

- Reduced Monthly Maintenance cost up to 6% through National Volume Incentives
- Take advantage of a 2% annual or a 1% semi-annual pre-pay discounts
- Additional 5% National signing agreement discount
- TEAM Service maintenance program backed by TKE National Oversight
- Remote Monitoring Services with National program
- TKE services all major elevator brands

Those who currently have a TKE contract will receive an updated National Program agreement that will reflect your new cost savings benefits.

If you are using another elevator maintenance service provider and would like more information regarding the TKE program please contact:
