## 2016 Social Accountability Report

Social accountability represents a cornerstone of the CHHSM mission and serves as a means of engaging with the wider Church. Although our impact as an organization is quantified in dollars, our collective engagement with the wider Church is measured in a more meaningful way: building bridges to local Churches, Associations, Conferences, the National setting of the UCC and all of our ministry partners. Expand the blocks below for more information.

Engaging Our People: **\$56,000** +

Engaging through Financial Support: **\$31,500** +

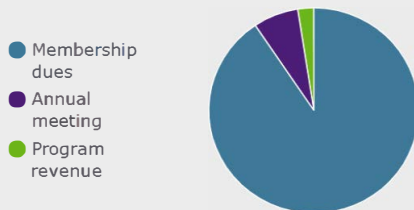

Engaging with Our Expertise: **\$12,000** +

Total  
Social Accountability Impact:
